Re: Appeal No. DOJ-AP-2019-004654
Request No. 1428231
MWH:DRC

VIA: U.S. Mail

Dear Emma Best:

You appealed from the action of the Federal Bureau of Investigation on your Freedom of Information Act request for access to records concerning "tech.net.ru." I note that your appeal concerns the adequacy of the search conducted by the FBI.

After carefully considering your appeal, I am affirming the FBI's action on your request. The FBI informed you that it could locate no responsive records subject to the FOIA in its files. I have determined that the FBI's action was correct and that it conducted an adequate, reasonable search for such records. The FBI searched its automated indices and Sentinel database for main and cross-reference files and located no responsive records.

Please be advised that this Office's decision was made only after a full review of this matter. Your appeal was assigned to an attorney with this Office who thoroughly reviewed and analyzed your appeal, your underlying request, and the action of the FBI in response to your request.

If you are dissatisfied with my action on your appeal, the FOIA permits you to file a lawsuit in federal district court in accordance with 5 U.S.C. § 552(a)(4)(B).

For your information, the Office of Government Information Services (OGIS) offers mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, Maryland 20740-6001; email at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769. If you have any questions regarding the
